

## Veterinarian

### Position Overview

Do you thrive in taking the opportunity to lead a team? Do you dream of working at a brand-new facility with state-of-the-art equipment? Are you excited at the prospect of building your reputation at a 5-star practice? If you are looking to excel in your professional career, we have an incredible opportunity for you to join our team!

### Location

We are located in Anacortes, Washington, between Seattle and Vancouver! In the Pacific Northwest, we are surrounded by all-season hiking trails next to both forest lands and the Pacific Ocean. You'll be able to enjoy the refreshing sea breeze and explore numerous water activities such as whale watching, boating, kayaking, or fishing. While we are known for being "your island getaway," we also have the best school districts in the state.

### Practice Overview

Whistle Veterinary Clinic is proud to be privately owned, and our mission is to tailor our healthcare plans to the needs of our patients. We offer wellness, preventive care, surgical care, dentistry, and management of chronic conditions. Our new facility has lots of bells and whistles, including equipment like dental x-ray and ultrasound. Our veterinarians have the support of 3-4 team members so they can spend their time treating and diagnosing. Our team is truly dedicated to delivering top-notch care and the best client experience. We've worked hard to promote a culture where we not only work hard, but have fun doing it too! Our positive work environment allows our team to thrive, laugh, and support one another each day. And did we mention we have a brand-new facility with the latest in equipment from digital dental x-ray to tonopen and more?
